ACCESS FOR ELLS

- Mandatory, secure, large-scale English proficiency assessment administered annually to Kindergarten through 12th grade students identified as English Language Learners.

- Assesses the 4 language domains: Listening, Speaking, Reading & Writing.

- Serves as one of multiple measures used to determine whether students are prepared to exit English language support programs.

- Helps students and families understand students' current level of English proficiency along the developmental continuum.

- Provides teachers with information they can use to enhance instruction and learning.

- Provides districts with information that helps evaluate the effectiveness of ESL/bilingual programs.
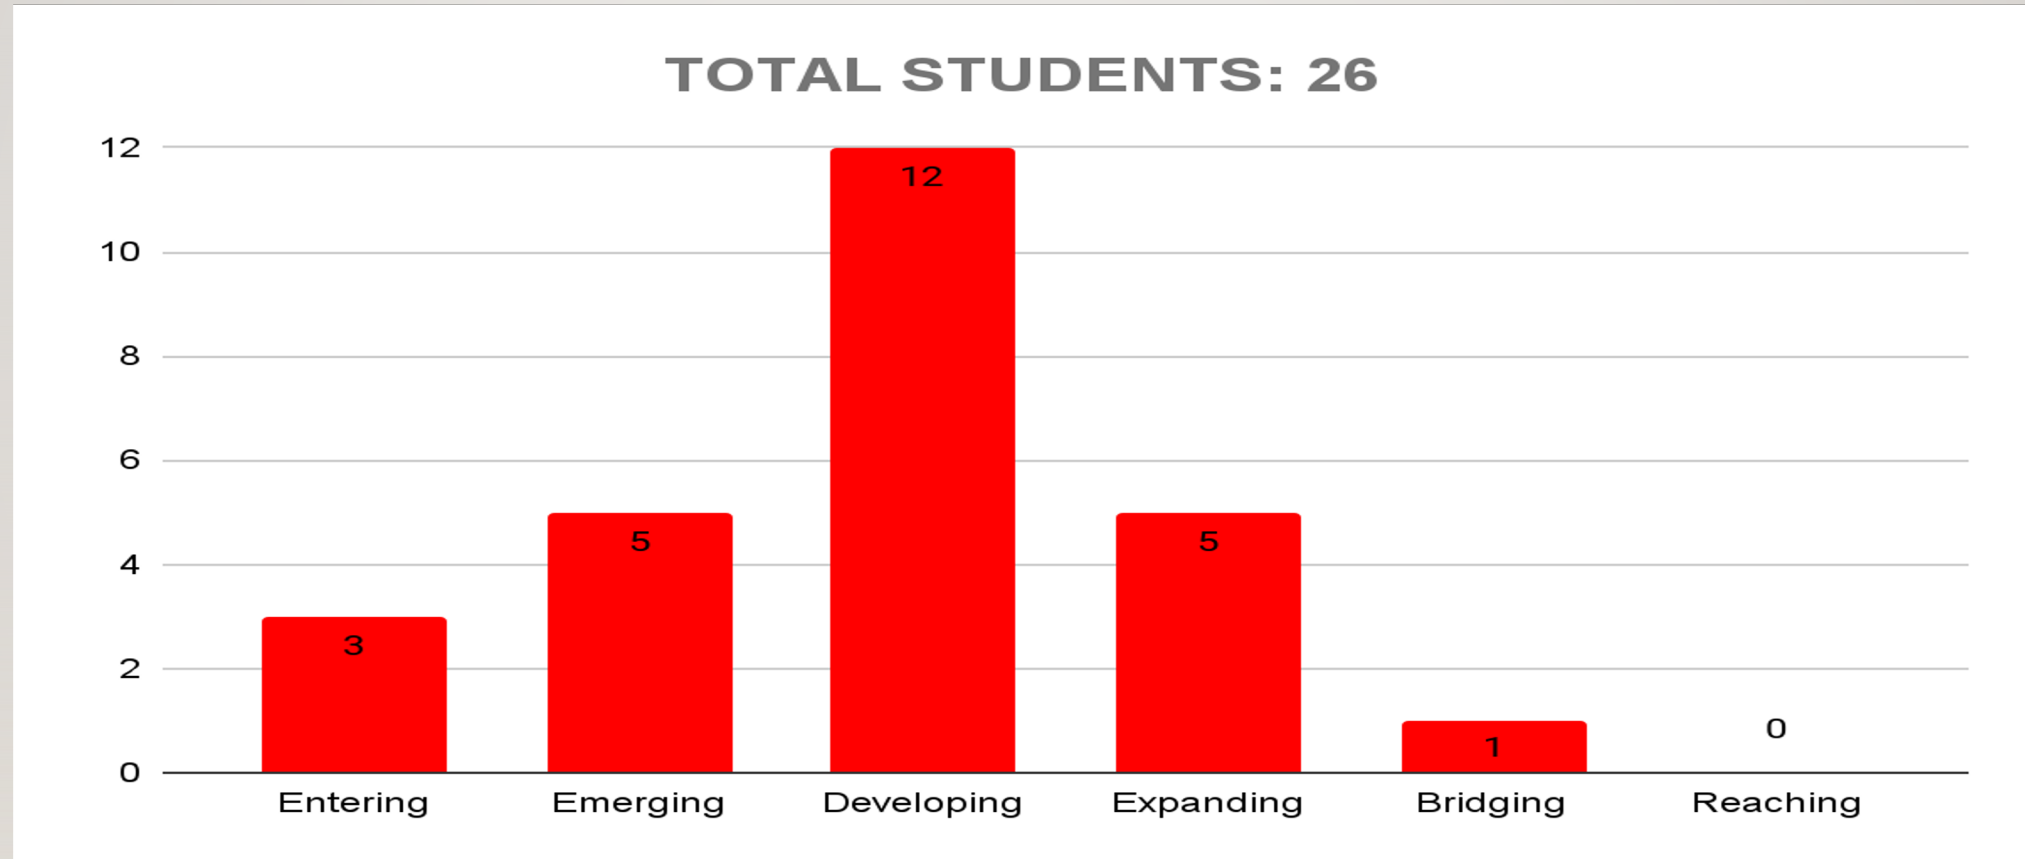

ACCESS FOR ELLS- PROFICIENCY LEVELS

1 – Entering: Knows and uses minimal social language and minimal academic language with visual and graphic support

2 – Emerging: Knows and uses some social English and general academic language with visual and graphic support

3 – Developing: Knows and uses social English and some specific academic language with visual and graphic support

4 – Expanding: Knows and uses social English and some technical English Language

5 – Bridging: Knows and uses social and academic language working with grade level material

6 – Reaching: Knows and uses social and academic language at the highest level

ACCESS FOR ELL TRENDS/ ANALYSIS

- Increased numbers of students that have enrolled over the last 4 years in all schools.

- Decrease in the number of students at the Bridging and Reaching levels.

- Implementation of ELL after school and extended year summer program for identified ELL students.

- Use of federal funds to purchase ELL specific books to assist in language attainment.

- Curriculum Department continue to analyze the ACCESS assessment to develop ELL curriculum units that can further foster academic language attainment.

ADVANCED PLACEMENT

- Advanced Placement courses culminate in assessments from the CollegeBoard to give students the opportunity to earn college credit for high school coursework.

- Traditionally, a student must earn a 3 or better (on a scale from 1-5) on each exam to get college credit, although credit policies vary from college to college

- Expansion in participation a function of:
  - District Offerings:
    - AP Biology
    - AP Calculus AB
    - AP Chemistry
    - AP English Literature
    - AP European History
    - AP Spanish Language and Culture
    - AP Statistics
    - AP Studio Art
    - AP United States History
  - Targeting students through annual AP Potential report
  - Increasing access to courses

NJGPA Overview

- NJGPA is designed to measure the extent to which students are graduation ready in English Language Arts (ELA) and Mathematics.

- Graduation readiness is reported separately for each content component.

- The ELA component is aligned to the grade 10 standards.

- The Mathematics component is aligned to Algebra I and Geometry standards.
