1. WHO CAN GET FREE OR REDUCED PRICE MEALS?

- All children in households receiving benefits from **NJ SNAP** or **NJ TANF/WorkFirst-NJ** are eligible for free meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

11. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
14. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application.
16. MY FAMILY NEEDS MORE HELP. ARE THERE ANY OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for NJ SNAP or other assistance benefits, contact your local assistance office, call 1-800-687-9512 or go to nj.gov/humanservices/njsnap/apply/ways/. You can also contact NJ FamilyCare or Medicaid at 1-800-701-0710 or www.njfamilycare.org for information regarding health insurance for your family. For the WIC Program, call 1-800-328-3838 or go to www.nj.gov/health/fhs/wic.

If you have other questions or need help,
call (201)796-8700 Ext:4862

SHARING INFORMATION WITH MEDICAID or NJ FAMILYCARE

Dear Parent/Guardian:

If your children get free or reduced price school meals, they may also be able to get free or low-cost health insurance through Medicaid or NJ FamilyCare. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, **the law allows us to tell Medicaid and NJ FamilyCare that your children are eligible for free or reduced price meals, unless you tell us not to.** Medicaid and NJ FamilyCare only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or NJ FamilyCare, fill out the form below and send in (Sending in this form will not change whether your children get free or reduced price meals).

- No! I DO NOT** want information from my Free and Reduced Price School Meals Application shared with Medicaid or the State Children's Health Insurance Program (NJ FamilyCare)

If you checked no, fill out the form below to ensure that your information is NOT shared for the child(ren) listed below:

Child's Name: _____ School: _____

Child's Name: _____ School: _____

Child's Name: _____ School: _____

Child's Name: _____ School: _____

Return this form to your child's school, ONLY if you do NOT wish your information to be shared with Medicaid or NJ FamilyCare.

How To Apply for Free and Reduced Price School Meals

Please use these instructions to help you fill out the application for free and reduced price school meals. You only need to submit one application per household, **even if your children attend more than one school in the [Insert School District]**.

The application must be filled out completely to determine the eligibility of your child(ren) for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact [Insert school/school district contact here; phone and email preferred].

Please use a pen (not a pencil) when filling out the application and do your best to print clearly.

Step 1: List ALL children, infants, and students up to and including grade 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending (regardless of age) [school/school system here].

<p>A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.</p>	<p>B) Is the child a student? If "Yes," write the grade level of the student in the "Grade" column to the right.</p>	<p>C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing Step 1, go to Step 4.</p> <p>Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to Step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult, who cares for the child in place of their parent or guardian.</p>	<p>D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application. Homeless, Migrant, Runaway status must be confirmed with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete an income-based application. <u>You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.</u></p>
---	---	---	---

Step 3: List ALL household members and income for each member

1) List adult household members' names.

Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Include college students, unless they are declared independently on taxes (all college students are considered adults). Do not list any household members you listed in Step 1.

2) List earnings from work.

List all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. Net income is your income after taxes and deductions have been subtracted.

- **What if I have multiple jobs?** List each job separately by entering your name and income from each job on a new line. Add an additional sheet of paper if necessary.
- **What if I am self-employed?** List income from your business as a net amount. This net amount is calculated by subtracting the total operating expenses of your business from its gross receipts (revenue). Gross receipts or revenue are all the income earned from the sale of any products or services offered.

If a child listed in Step 1 has income, follow the instructions in Step 3, Part B.

3) List income from public assistance/child support/alimony.

List all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

4) List income from pensions/retirement/all other income.

List all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

- **What if I receive income from multiple sources in this category?** List each source separately by entering your name and income from each source on a new line. Add an additional sheet of paper if necessary.

5) List total household size.

Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number **MUST** be equal to the number of household members listed in Step 1 and Step 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

6) Provide the last four digits of your Social Security Number.

An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no Social Security Number."

3.B List income earned by children

List all income earned or received by children.

List the combined gross income for ALL children listed in Step 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

- **What is Child Income?** Child income is money received from outside your household that is paid **DIRECTLY** to your children. Many households do not have any child income.
